The term of an exploration licence issued for parcel in the Central Mackenzie Valley is eight (8) years consisting of two (2) consecutive periods of four (4) years each; the term of an exploration licence issued for parcel in the Beaufort Sea / Mackenzie Delta is nine (9) years consisting of two (2) consecutive periods of five (5) and four (4) years respectively. The drilling of a well during period 1 of the term qualifies the licence holder to retain the licence for period 2, whether or not the total amount of the bid has been spent. Any excess bid deposit will be forfeit. A drilling deposit of $1 million may be submitted before the end of the first period to obtain a one-year period of grace to commence the required well.
